

W3C Web and TV Workshop Wrap-Up

Philipp Hoschka, W3C

Ubiquitous Web Domain Leader

Take Away

- Open Web Platform has great potential for TV content
- Good to get started now
- But: Needs collaboration
- Otherwise: repeat of mobile experience
- On right track

Web and TV IG meeting

- Next two days
- Finalize Home Networking TF Report (Multiscreen, device discovery, ...)
- Map Requirements onto WG(s)
- Work on Media Pipeline TF Use Cases (DRM, Adaptive Streaming, Parental Control, ...)
- Create new Task Forces - Candidates
 - Social TV
 - Accessibility
 - Web and Broadcasting
 - Metadata
 - Profiling / Testing
 - Contents Protection
 - Web and IPTV
 - Emergency services
 - ...

W3C TPAC

- 31 October to 4 November, Santa Clara
- W3C “all-hands”
 - Most W3C WGs meet
 - Web and TV IG also
 - Joint meetings
- TPAC Day
 - “Attendee-driven format”
 - Suggest topics (Wiki or contact jeff@w3.org)

Thanks!
