Code Map Options

This Code Map (14807) is local

Number of mappings: 34

Source Code	Meaning	Target Code	Meaning
A	Arts, Culture, and Humanities	maps to 16061	OTHER SOCIAL INFRASTRUCTURE AND SERVICES - Culture and recreation
C	Environmental Quality Protection, Beautification	maps to 41010	General environmental protection - Environmental policy and administrative management
D	Animal related	maps to 31163	AGRICULTURE - Livestock
D	Animal related	maps to 31195	AGRICULTURE - Livestock/veterinary services
D	Animal related	maps to 41030	General environmental protection - Bio-diversity
E	Mental Health, Crisis Intervention	maps to 12191	Health, general - Medical services
G	Disease, Disorders, Medical Disciplines	maps to 12110	Health, general - Health policy and administrative management
G	Disease, Disorders, Medical Disciplines	maps to 12191	Health, general - Medical services

Outcomes

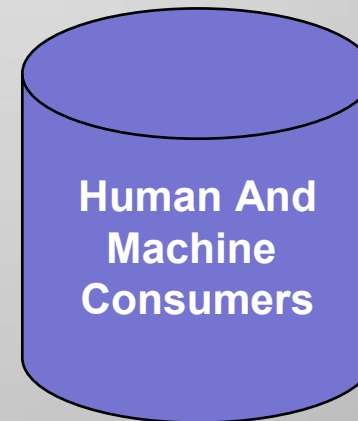

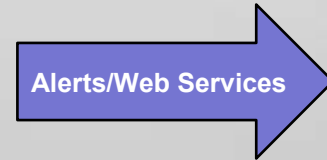

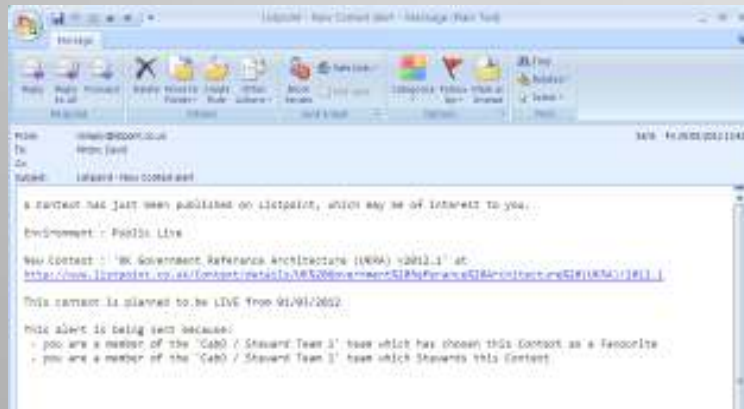

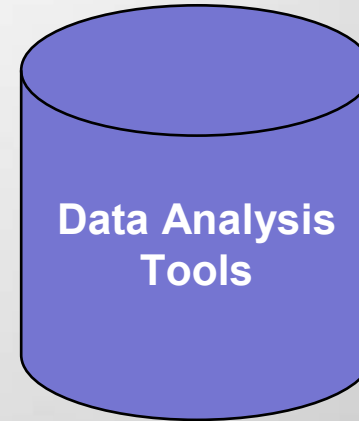

Listpoint,

- Errors in coding
- Duplications
- Old standards
- Hierarchical lists presented as flat codes
- New code lists added
- <http://www.listpoint.co.uk/Context.aspx?ContextName=International%20Aid%20Transparency%20Initiative&Version=2>

Quality and Outputs

Listpoint,

Summary

Listpoint,

- Explore 4,000 existing 'Open' code lists
- Create and validate new code lists
- Group in to contexts
- Map together to create translation aids
- Auto distribution of changes
- Spreadsheet, XML and SKOS formats
- www.listpoint.co.uk
