W3C Model-Based User Interfaces (MBUI) Working Group

Agenda of the 1st Face to Face meeting

DFKI, Kaiserslautern, 09-10 February 2012

Goals:

- Definition of the industrial use cases and requirements
- Agreement on challenges and problems of MBUI which should be considered during the standardization process
- Agreement on the concepts at the *task and concepts* and the *abstract user interface*-layer which will be incorporated into the new to be standardized languages

Date/Time:

- Thursday, 09 Feb 2012, 9:00 - 17:00
- Friday, 10 Feb 2012, 9:00 - 15:00

Venue:

- The DFKI is located at PRE-Uni-Park in Trippstadter Straße 122, Kaiserslautern.
  Map-Link: http://g.co/maps/b6a97
  Bus station: Fraunhofer Zentrum

On-site Contact:

- Moritz Kümmerling, Mobile: +49 (0)176 / 61 19 83 09, Phone: + 49 (0)631 205 75 3414
- Gerrit Meixner, Mobile: +49 (0)157 / 72 59 58 65, Phone: +49 (0)631 205 75 3415

Participants:

- See http://www.w3.org/wiki/MBUI_WG_Face_to_Face,_KaisersLautern_2012 for the actual list with registered participants.

Day 1

09:00	*Welcome and presentation round*	
09:15	**Introduction**	**DFKI**
09:30	**General information about the W3C MBUI WG** • *Information about the W3C* • *W3C processes* • *Scope/Aim of this WG* • *Coordination with other relevant W3C WGs*	**W3C**
09:45	**Discussion and Definition of Use Cases**	**All Partners**
10:30	*Coffee Break*	
11:00	**Requirements from the industry** + Discussion	**All partners**
12:00	*Lunch Break (DFKI, Catering)*	
13:00	**Visit of the Living Lab *SmartFactory*KL + Group Picture** • *SmartFactoryKL as evaluation and demonstration center*	**All Partners**
13:30	**Presentation of the submitted material** • Processes • *Models* • *Mark-up languages* • *Tools*	**All partners**
15:30	*Coffee Break*	
15:45	**Workshops – Challenges & Problems**	**All Partners**
17:00	*End*	
19:30	**Joint Dinner in the City Center**	

Day 2

09:00	**Summary of Day 1**	**W3C / DFKI**
09:15	**3 Workshops – Unified Reference Framework, Task and concepts and Abstract UI** • *Glossary of terms for MBUI* • *Definition of key concepts* • *Which parts of which language can be reused for the definition of a standard concept?* • *How to combine different concepts, languages and tools?*	**All Partners**
12:00	*Lunch (Unique, Restaurant)*	
13:15	**Presentation of the workshop results** + Discussion	**All Partners**
14:15	**Organization, next Steps and Conclusion** • *Agreement on main specification editor* • *Weekly teleconferences* • *Timeline* • *Recruitment of future W3C members* • *Participation of Non-W3C members in the WG* • *Summary of the agreements from the meeting* • *Distribution of working items* • *Outlook towards the next Face to Face meeting*	**W3C / DFKI**
15:00	*End*
