Subject Pharma Ontology Poster

04/20/2009 12:45 PM

History:  This message has been replied to.

Good news! The proposal for the Pharma Ontology poster at ICBO has been accepted. :-)

Cheers,

Susie

Dear colleagues,

We have pleasure in confirming acceptance of your poster submitted to the ICBO conference in Buffalo in July 2009.

A one-page description of your poster will be printed in the conference proceedings; instructions for camera-ready copy can be found under "Submission Guidelines" on the ICBO website (<http://icbo.buffalo.edu>). Submission deadline is June 10.

Your poster itself should fit on a standard measuring 4 feet by 4 feet. Acceptable standard sizes are 84cm x 119cm (A0) or 30" x 40".

To ensure inclusion in the ICBO program and proceedings, at least one author per poster must be registered for the conference on or before June 10. The deadline for early-bird registration is May 15.

A small number of stipends are available to support participation in the ICBO meeting and in associated classes and tutorials by students and early career researchers less than 5 years from PhD. US citizens only are eligible for remaining stipends. Please write to ontology@buffalo.edu for further information.

We look forward to seeing you in Buffalo.

Barry Smith (Chair)
Suzanna Lewis (Co-Chair)
