

AIRFOT (AI-sourced future requirements for Timed Text Task Force)

W3C MEIG Meeting 1 September 2026

Proposal Status

Proposal raised at [w3c/media-and-entertainment#122 \(comment\)](#)

Discussed during the [August 4th MEIG](#) meeting

Signals: positive, no negative, good to proceed.

Task force setup

Tooling: We have a W3C task force group at <https://www.w3.org/groups/tf/airfot/>

With a (currently empty) [Calendar](#)!

And a [wiki page](#) in the MEIG space

Participation

Please register now if you are interested in participating, by telling Nigel or any of the MEIG Chairs.

The MEIG Chairs can add you as members of the task force.

If you have a particular interest or contribution you would like to make, do say. For example, you might want to edit the deliverable document, or set up requirements gathering sessions.

Meetings

Breakout session planned at TPAC - see [w3c/tpac2026-breakouts#11](https://www.w3.org/tpac2026-breakouts#11)

We likely need to organise some more events.

Timeline

Proposal is for a 6 month timeboxed activity.

Suggest starting the “clock” at the date of our first meeting.

Next steps

- Gather participants
- Plan for producing deliverables
 - Including setting up any requirements gathering sessions
- Meet at TPAC
