IN FUKUOKA, KYUSHU ISLAND, JAPAN

Monday 16 September 2019 (6-10pm)

DevMeetup venue is the same as TPAC 2019!
- Hilton Fukuoka SeaHawk -

LAST YEAR'S W3C DEVELOPER MEETUP

The Web roared in Lyon! Awesome speakers …

… and a busy demo room!

W3C DEVELOPER EVENTS – WOLDWIDE

Lyon, **2018**: 350 pax

San Francisco, **2017**: 250 pax

Sapporo, **2015**: 300 pax

Tokyo, **2013**: 180 pax

Lyon, **2012**: 230 people

Lyon, **2010**: 350 pax

WHO'S COMING?

Both **local** and **international** audience:

☐Web developers and designers

☐Web influencers/evangelists/consultants

☐W3C companies' representatives

☐IT service departments ranging
from large companies to start☐ups

We are expecting about 200 people for this event.

WHAT ARE WE ALL DOING THERE?

☐ Hearing talks from the most **innovative minds** working with the Web

☐ Finding out which Web technologies are going to be **disruptive**

☐ Sharing **success stories** and best practices

☐ Meeting and learning from other users, experts and names in the **Web community worldwide**, and fostering partnerships and contacts

☐ Showcasing demos of how the Web **impacts all industry sectors**

BECOME A "MEETUP" SPONSOR!

☐Become a "meetup" sponsor and:

– Link your brand to those who are building tomorrow's Web

– Show that your company is familiar with innovation and disruption

– Outreach to developers and companies from all over the world

– Showcase your technical expertise to the community

– Identify business relationships and partnerships

– Expose your brand to the Japanese IT industry!
