Nearby Airports

Mumbai airport

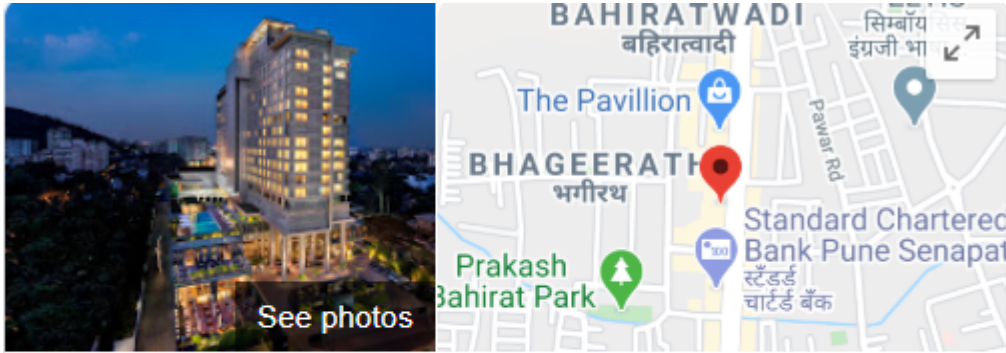

Pune airport

There are two airports:

- One being Mumbai airport where a travel from Mumbai airport to Pune would be required (its on an average 3 hours journey from Mumbai airport to Pune Hotel)
- Pune airport is rather smaller with less frequency of flights but the travel time to Pune Hotel would be around 30-40 minutes.

Conference Rooms

Conference, Plug-Fest and an Open Day with External Companies participation

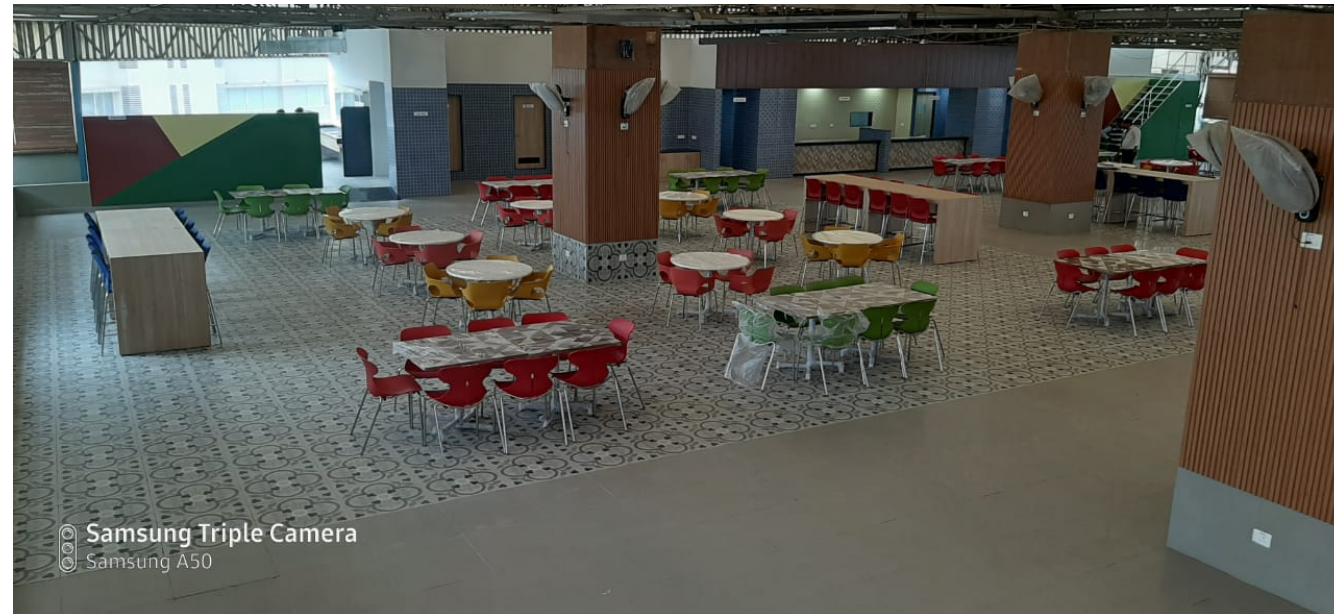

- We have two Siemens offices in Pune.
- We can have the conference in any of the office premises.
- Or Siemens can also sponsor to have it in external locations- which can be a facility provided by the hotels: Few pictures of Conference rooms shown here.
- Plug Fest and an Open Day can be organized outside office in bigger location with all the infrastructure required.
