Communication & Collaboration Task Force

- The task force has been set up to strengthen awareness of the technical and business benefits of the Web of Things.
- The task force has the following responsibilities:
 - Supporting outreach to external communities.
 - Tracking and prioritizing conferences and other events relevant to the Web of Things.
 - Tracking and prioritizing opportunities to reach out to open source projects and maker community events relating to the Web of Things.
 - Tracking and collaborating with IoT industry alliances and standards development organizations.
 - Support for the W3C Business Development team in respect to identifying potential new member organizations.
- Monthly meeting (3rd Wednesday of Every Month) since November 2015.

TF-Communication & Collaboration Status - What we did

- Prioritized and Supported Events relevant to W3C Web of Things
- Added Testimonials on WoT landing page
- July F2F meeting plan
- Liaison with alliances or SDOs

Prioritized and Supported Events relevant to W3C Web of Things

- CES 2016 , Jan 16
 - Provided White paper and slides
- IoT World USA , Feb 2016
 - Sales sheet available at : <https://www.w3.org/2016/02/WoT.salesheet-2016-02.pdf>
 - Presentation Slides of Jeff: <https://www.w3.org/2016/Talks/jj-wotw-201602/W3C-IoTW-v10.pdf>
- We are in discussion about more upcoming events:
 - https://www.w3.org/WoT/IG/wiki/Tracking_and_prioritizing_conferences_and_other_events_relevant_to_the_Web_of_Things
 - We would like to maintain a list of conferences/events in the page: https://www.w3.org/WoT/IG/wiki/Relevant_Conferences_for_the_Web_of_Things_IG. When we have some certain participation in the events, would move them to the W3C Conference calendar.

TF-Communication & Collaboration

Status - What we need to do more

- Recruiting on WoT - Collecting information on prospects
- Open source projects and maker community events relating to the Web of Things

Strategy for Recruiting on WoT

- Ideas put on team wiki:
https://www.w3.org/Team/wiki/Member_Recruitment_for_the_Web_of_Things
- Collecting information on prospects
- Dave did some works on it silently. One possible agenda item for next meeting.
- Welcome suggestions/proposals

Open source projects and maker community events relating to the Web of Things

- wiki:
https://www.w3.org/WoT/IG/wiki/Tracking_and_prioritizing_opportunities_to_reach_out_to_open_source_projects_and_maker_community_events_relating_to_the_Web_of_Things
- Nothing more has been added since Dave created it last November.
- Welcome suggestions/proposals how to proceed.

Next Meeting

- It was planned on 20 April (3rd Wed of April)
- As we are just having the F2F meeting this week, should we cancel the April meeting for TF-Communication & Collaboration?
