Barriers to M2M Market Growth

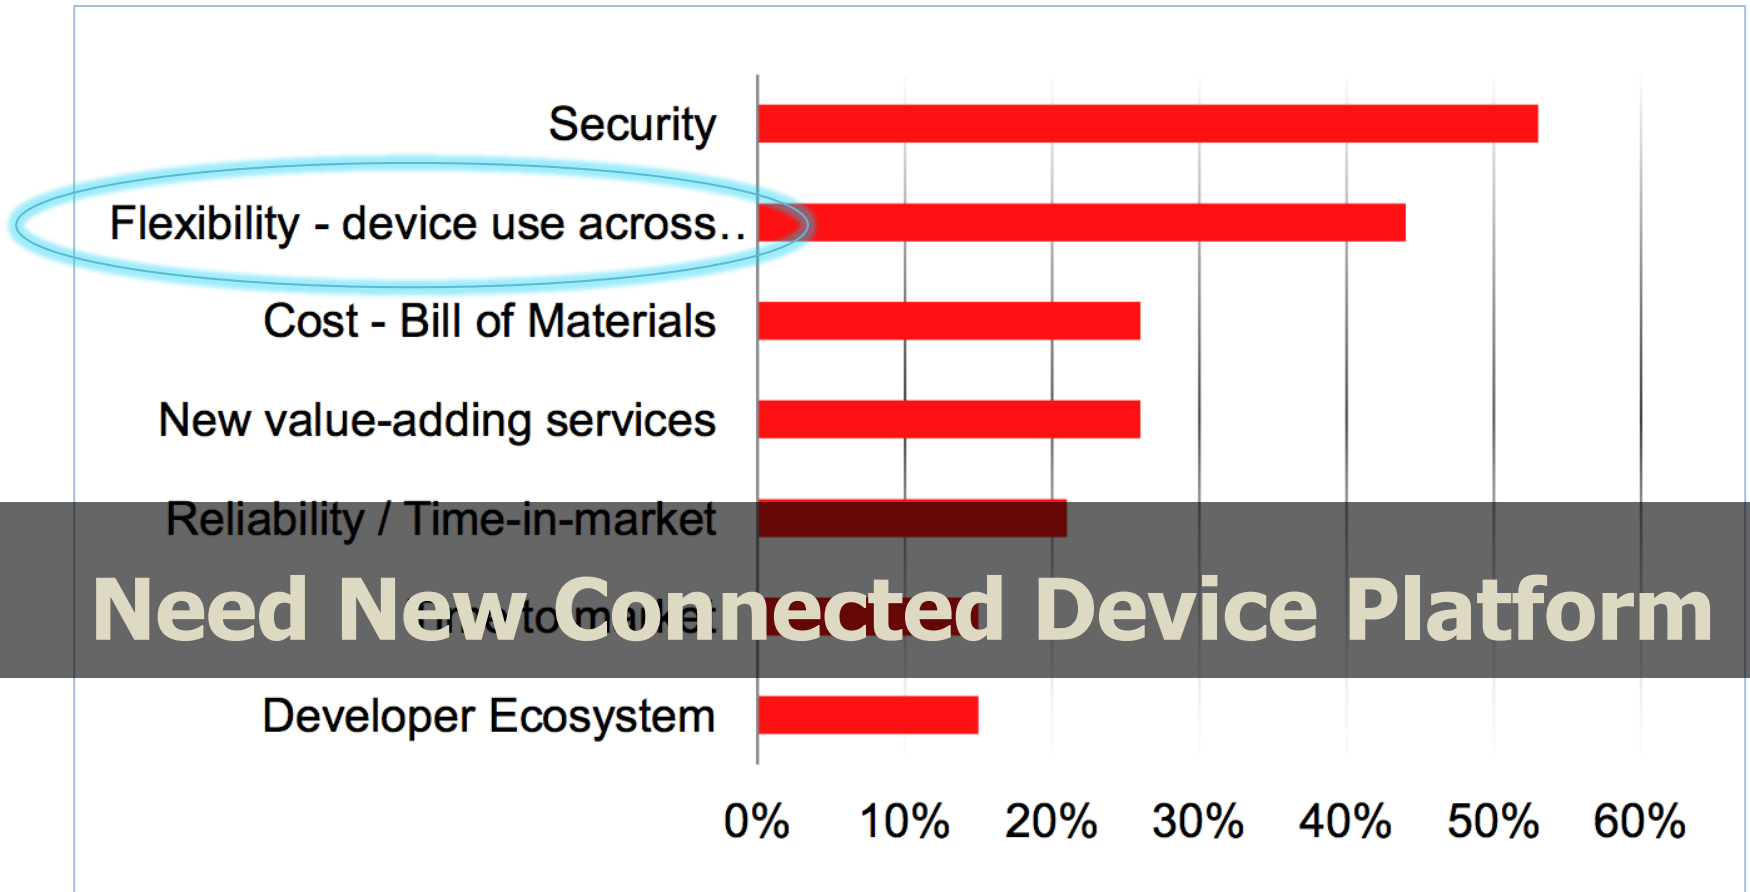

Rate the following barriers to M2M Market Growth (1= not a barrier, 4 = major obstacle)

Need New Development Ecosystem

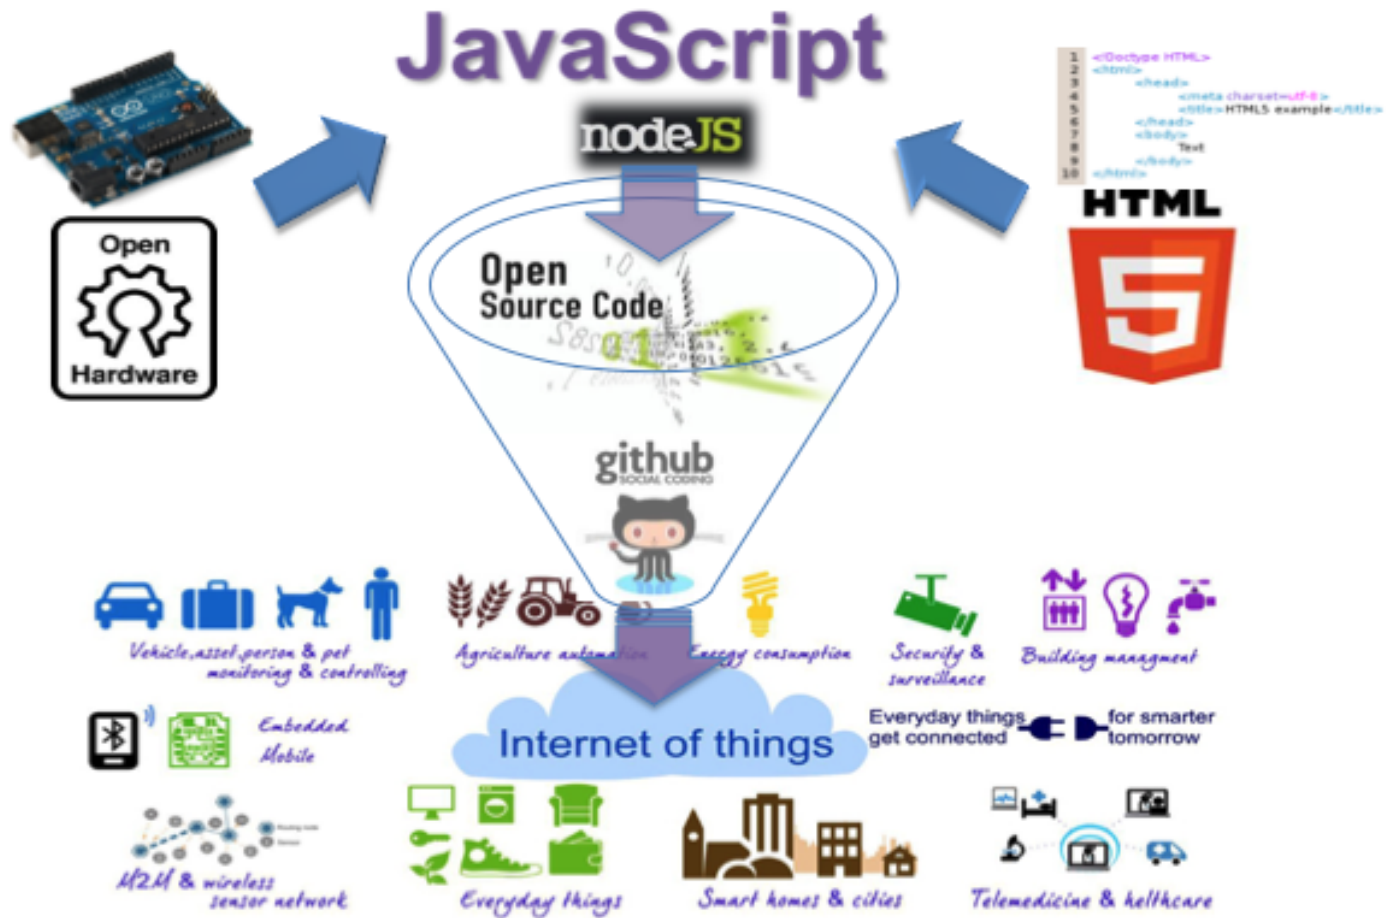

Delegate Vote, 11th Telco 2.0 ECMA Brainstorm

Requirements for Connected Devices

Beecham Research, Issues and Business Opportunities in Security for M2M Solutions

New IOT Development Ecosystem

Sensor.js on a Beaglebone Black

Comparison of IOT Device Platform

IOT Platform	Sensor.js	Mihini
		
Java	JavaScript	Lua Script
Powerful	Powerful/Easy	Easy
General Purpose	IOT Specific	IOT Specific

Traditional M2M Device Platform

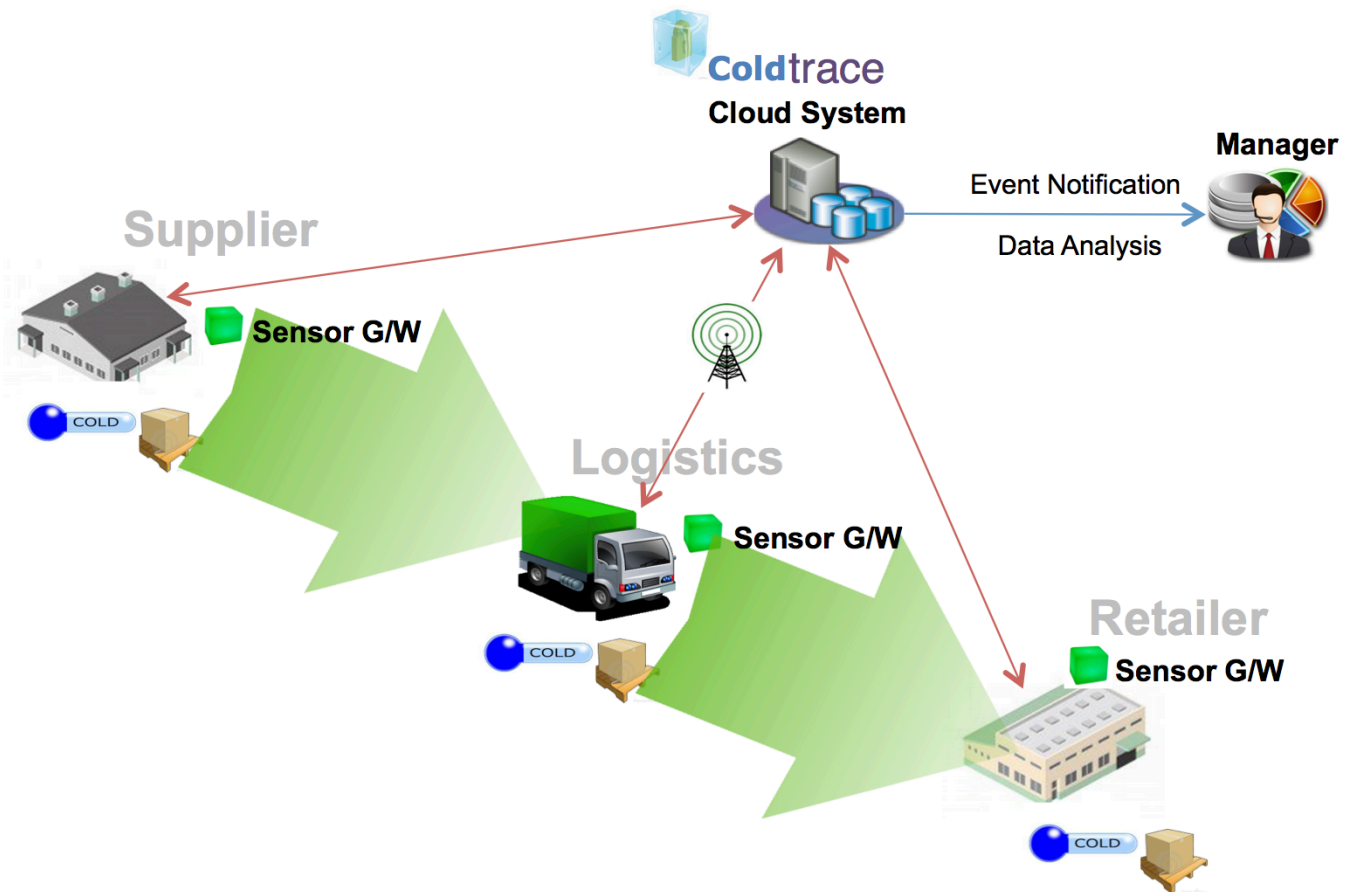

Daliworks with Sensor.js

Build an Internet of Things
using Open Hardware
and Open Web Technologies

Demonstration – ColdTrace

Cold Chain Management System
